ONE HUNDRED NINETEENTH LEGISLATURE
FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

free distribution of tobacco products to minors by any person whether that person is acting in the course of business or not. The bill proposes to prohibit self-service displays of tobacco products unless in a business establishment where the primary business is the retail sale of tobacco products. The bill also proposed to prohibit the producers of tobacco products from offering incentives as a reward for increasing sales of tobacco products. The penalty for a violation of these prohibitions would be the same as for violations of other tobacco product sales prohibitions, such as sales to minors and sales through vending machines in unlawful ways. See LD 1582, Public Law 1999, chapter 314 prohibiting self-service tobacco displays.

This bill has been carried over to the Second Regular Session of the 119th Legislature.

LD 2150 **An Act to Ensure Community-based Services for Persons With Mental Retardation or Autism** **CARRIED OVER**

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| QUINT PARADIS | | |

LD 2150 proposes to incorporate into statute portions of the 1994 Community Consent Decree for the provision of services to persons with mental retardation or autism. Before the decree may be terminated by the United States District Court, the decree requires that the State establish mechanisms to ensure future compliance with its terms.

This bill proposes to establish a policy of providing education, training and support services and programs to persons with mental retardation or autism and establish a committee to study whether to identify the population eligible for services and programs within the scope of the Maine Revised Statutes, Title 34-B, chapter 4 as persons with developmental disabilities, or whether to continue to identify the population as persons with mental retardation or autism.
