Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

RESOLVE 55

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
QUINT PINGREE	OTP-AM	H-654

LD 2181 proposed to create the Homeless Youth Demonstration Project to operate a site in Bangor and a site in Portland at which the project will develop and deliver creative, innovative and collaborative nontraditional services to unaccompanied youths and youths-at-risk. The project would be administered jointly by the Department of Human Services and the Department of Mental Health, Mental Retardation and Substance Abuse Services along with 2 stakeholders' groups composed of interested organizations and individuals organized by the departments for both sites. The project would report back to the Legislature with an evaluation including measurable outcomes and recommended implementing legislation by February 1, 2001. This resolve proposed to appropriate \$300,000 a year for 2 years to fund the project.

Committee Amendment "A" (H-654) proposed to change the minimum age of the youth served in the Homeless Youth Demonstration Pilot Project from 12 years of age to 14 years of age. It proposed to add health care to basic services and provide for input from the regional children's cabinets and the Governor's children's cabinet in the reports submitted by December 31, 1999 and December 31, 2000. It proposed to require the collection and maintenance of data on youth of different ages and require the evaluation to cover the situations and needs of youth of different ages. It proposed to require the development of a comprehensive community plan for providing residential, educational, health, career development and social services to homeless youth. Following approval of the community plan by the Commissioner of Human Services and the Commissioner of Mental Health, Mental Retardation and Substance Abuse Services, it proposed to require the Department of Human Services to take steps to implement the community plan.
