Summary Of Legislation Before The Joint Standing and Select Committees
August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2191

An Act to Establish the Maine Tobacco Endowment Fund Using Tobacco Settlement Funds

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
AMERO CIANCHETTE	ONTP	

LD 2191 proposed to create the Maine Tobacco Endowment Fund, referred to in this summary as the "fund," into which funds from any settlement with the tobacco industry would be placed. As an endowment fund, the fund's principal could not be expended but rather only the interest that is incurred through investments. The fund would be governed by a nine-member board whose members represent or have an interest in anti-tobacco, family, child, elderly or general health issues. Proceeds for the fund would be designated to benefit three programs: The Healthy Start Program for Maine, operated by the Bureau of Health; the Partnership for a Tobacco-Free Maine, operated by the Tobacco Prevention and Control Program of the Bureau of Health and the elderly low-cost drug program.
