ONE HUNDRED NINETEENTH LEGISLATURE FIRST REGULAR SESSION

Summary Of Legislation Before The Joint Standing and Select Committees August 1999

We are pleased to provide this summary of all bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2214 An Act to Reinstate the Death Penalty

ONTP

Sponsor(s)	Committee Report		Amendments Adopted
PLOWMAN	ONTP	MAJ	
CAREY	OTP-AM	MIN	

LD 2214 proposed to change the permissible sentences for the crime of murder under certain circumstances. The bill proposed to require that a separate sentencing proceeding be held for murder convictions, and that the jury for that proceeding must recommend either a sentence of life in prison or a sentence of death. As proposed, a sentence of death is permissible only when the murder caused the death of 2 or more people or when the murder was especially heinous, atrocious or cruel. As proposed, death sentences would be automatically reviewable by the Supreme Judicial Court and may be set aside if the Court finds the sentence excessive or disproportionate to the sentences imposed in similar cases

As proposed, if a person is sentenced to death and the Supreme Judicial Court affirms the sentence, the Governor is required to issue a warrant directing the warden of the state prison to execute the sentence. As proposed, the Governor must stay an execution if the person is mentally ill or pregnant, and if the Governor unjustifiably fails to issue a warrant, the Attorney General may petition the Supreme Judicial Court for such a warrant, and the Court is required to issue one. The bill proposed that a death sentence must be carried out through lethal injection.

The bill also proposed to make the death penalty subject to a referendum on whether the people of Maine want to reinstate the death penalty.

Committee Amendment "A" (H-590) was the minority report of the Joint Standing Committee on Criminal Justice. This amendment proposed to add a fiscal note and appropriation to the bill. This amendment was not adopted.

House Amendment "A" (H-609) proposed to prohibit a person who was less than 18 years of age at the time of the murder from being sentenced to death. This amendment was not adopted.
