ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LAVERDIERE	OTP-AM	H-818 H-826 CAMERON S-533 GOLDTHWAIT

LD 2333 proposed to make several technical changes to the laws relating to filings by business entities, including changes to the process for filing notice when an entity changes its registered agent or office.

Committee Amendment "A" (H-818) proposed to correct the format of one section of the bill and to add a section inadvertently left out of the bill. The new section proposed to require that notice of resignation of a registered agent be sent to the principal office of a limited liability company, wherever located, instead of being sent to the principal office in the jurisdiction where the company is organized.

House Amendment "A" to Committee Amendment "A" (H-826) proposed to clarify the technical format of the statutes.

Senate Amendment "A" to Committee Amendment "A" (S-533) proposed to clarify the technical format of the statutes.

Enacted law summary

Public Law 1999, chapter 594 clarifies and makes uniform the requirements for filing notice with the Secretary of State of a business entity's change of registered agent or office, changes the laws relating to authorized signatures on foreign entity filings and makes other technical changes in the laws relating to business entity filings with the Secretary of State.
