ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

It would have reduced from \$23 to \$5 the annual registration fee paid by honorably discharged veterans who use the special veterans registration plates in lieu of regular registration plates.

The bill also would have exempted any qualified veteran who obtains the Purple Heart medal recipient plate, the Pearl Harbor survivor plate or the former prisoner of war plate from paying either an annual registration fee or a title fee for the privilege of acquiring and displaying these special plates.

LD 2338

An Act to Clarify the Crosswalk Law

ONTP

POWERS HARRIMAN	ONTP	

LD 2338 would have required an operator of a motor vehicle to yield to a pedestrian anywhere within a marked crosswalk. This bill would have maintained the current law for crosswalks on roads that are fewer than 4 lanes, but required an operator on larger roads to yield only when the pedestrian is in the crosswalk on the same side of the road or so close to the operator's vehicle as to be in danger.

LD 2370

An Act to Amend Certain Transportation Laws

PUBLIC 753

PARADIS JABAR	OTP-AM MAJ ONTP MIN	S-532

LD 2370 proposed to make the following changes to the laws governing transportation.

1. It provided that the Department of Transportation may grant or otherwise transfer easements over property taken or acquired for transportation purposes when the department in its sole discretion determined that the conveyance of such easements is appropriate and necessary.
2. It provided that the owners of real property proposed to be acquired for federal, state and federally assisted highway projects were not in all cases required to pay rent in the event that they occupy the property beyond the date of acquisition.
3. It proposed to change the requirements for notice of the time and place of a hearing on a petition to condemn land filed with the State Claims Commission by the Department of Transportation. It would have allowed the commission to send notice to the department, landowners and lienholders by first class mail rather than registered mail and allows service by publication if a party can not be reached by mail.
4. It proposed to codify current practice by providing that the formula for distribution of Urban-Rural Initiative Program funds include roads maintained by a municipality that are not town ways.
5. It proposed to clarify that the Department of Transportation does not have responsibility for designating no-passing zones on roads that are not the responsibility of the department.
