**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 2349**

**An Act to Allow Video Lottery Terminals**

**ONTP**

<u>Sponsor(s)</u>		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
-------------------	--	---------------------------------	--	---------------------------

LD 2349 is a citizen initiated bill. It proposed to authorize the operation of video-lottery terminals at commercial tracks licensed to conduct harness racing. Under this bill, a video lottery terminal is defined as any mechanical electronic or electrical device or machine that, upon insertion of a coin or credit is available to play or operate and by chance, may deliver or entitle the player to cash or merchandise. The pay off could be made automatically or in any other manner under this definition.

LD 2349 proposed that commercial tracks may be licensed to conduct video gambling without prior municipal approval and there would be no limit to the number of machines permitted at a licensed commercial track. Individual terminals would not be required to be licensed but would be required to be registered and would be prohibited from containing any device which could manipulate the probabilities of winning. Fees permitting one to manufacture, wholesale, distribute or operate video lottery machines would be \$1,000 every two years.

Under this bill, funds from video lottery machines would be distributed as follows:

1. 40% to the Treasurer of the State of Maine for the Local Government fund.
2. 26% to the distributor who owns the machine.
3. 5% to the licensee to supplement harness racing purses.
4. 1% to the Sire Stakes fund.
5. 3% to the Department of Public Safety.
6. 2% for the agricultural fairs stipend fund.

This would leave 23% for the licensee.

Since the Legislature voted not to pass LD 2349, it will be placed on the ballot in November 2000. If a majority of the voters approve the proposal it will be enacted.
