**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

HATCH DOUGLASS	ONTP	

LD 2417 was a concept draft pursuant to Joint Rule 208 that proposed to enhance the timely distribution of materials and information to all members of the State Employee Health Commission. It also sought to equalize the distribution of information to members and the authority to gather and request information by members of that commission.

**LD 2461**

**Resolve, to Create a Commission to Study and Establish Moral Policies Regarding Foreign Investments and Foreign Purchasing by the State**

**RESOLVE 135**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MATTHEWS	OTP-AM MAJ ONTP MIN	H-870 S-800 KILKELLY

LD 2461 proposed to create a commission to study the establishment of moral investment policies and moral purchasing policies by the State. It proposed that the commission’s study consider such factors as exploitation of workers, frequency of Occupational Safety and Health Administration violations and layoff of Maine employees solely for economic gain. The resolve also proposed that the commission establish standards for moral policies and present these policies to the Legislature for adoption.

**Committee Amendment "A" (H-870)**, was the majority report. In addition to changing the title of the resolve, it proposed to add a requirement that the Executive Director of the Legislative Council call the first meeting of the Commission to Study Economically and Socially Just Policies on Investments and Purchasing by the State. It also proposed to delete a requirement that the study commission establish moral standards that would prohibit the State from making certain investments or purchases. The amendment proposed to direct the commission to study economically and socially just policies for investment and purchase by the State and to make recommendations about such policies to the First Regular Session of the 120th Legislature. It also proposed to add an appropriation section to the resolve.

**House Amendment "A" to Committee Amendment "A" (H-954)**, which was not adopted, proposed to add 2 members to the commission -- one representing labor unions and one representing manufacturing and industry. The amendment also proposed to remove the Treasurer of State and a representative from the Maine State Retirement System as members. It also proposed to replace the representative from the Maine State Retirement System with 2 representatives from retail business. The amendment also proposed to strike and replace the appropriation section.
