ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

over marine resources matters to report out a bill regarding regulation of the sea cucumber fishery to the Second Regular Session of the 120th Legislature.

Enacted law summary

Public Law 1999, chapter 672 regulates the season and harvesting method for the sea cucumber industry by closing the sea cucumber fishery to harvesting from July 1st to September 30th of each year and prohibiting the use of a drag to fish for sea cucumbers that exceeds 5 feet, 6 inches in width. It requires the Commissioner of Marine Resources to adopt rules that describe the type of drag that may be used to fish for or take sea cucumbers. The law establishes, but does not fund, the Sea Cucumber Management Fund to be used to research and manage the State's sea cucumber fishery and to enforce the laws related to sea cucumbers.

Public Law 1999, chapter 672 was enacted as an emergency measure effective April 12, 2000.
