ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2473

An Act to Promote the Use of an Advocate Staff

PUBLIC 602

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KONTOS COLWELL	OTP-AM	S-530

LD 2473 proposed to require the Public Utilities Commission to assign an advocate staff in an adjudicatory proceeding whenever all of the parties to the proceeding request an advocate staff. If a request were made by fewer than all of the parties to the proceeding, then the commission could decline to assign an advocate staff but only if the assignment of an advocate staff would have a materially adverse effect on the public interest.

Committee Amendment "A" (S-530) proposed to replace the bill. This amendment proposed to provide that if the Public Utilities Commission receives a written request from all of the parties in an adjudicatory proceeding that one or more staff advocates be appointed to facilitate a negotiated settlement in the proceeding, the commission must either grant the request or issue a written order explaining the reasons why the commission denies the request.

Enacted law summary

Public Law 1999, chapter 602 provides that if the Public Utilities Commission receives a written request from all of the parties in an adjudicatory proceeding that one or more staff advocates be appointed to facilitate a negotiated settlement in the proceeding, the commission must either grant the request or issue a written order explaining the reasons why the commission denies the request.
