**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Second, chapter 547 gives the District Court all the jurisdiction, powers and responsibilities of the Administrative Court and eliminates the Administrative Court as of March 15, 2001. The Administrative Court Associate Judge position, currently vacant, is eliminated immediately. A District Court Judge position is created immediately, so there is no net loss of judicial resources. Chapter 547 clarifies that an expedited hearing on the emergency suspension or revocation of a license must be scheduled, but that such hearings do not take precedence over any other items on the District Court's docket.

Public Law 1999, chapter 547 was enacted as an emergency measure effective March 9, 2000 except as otherwise provided.

**LD 2511**

**An Act to Preserve the Integrity of Court-ordered Child Support Obligations**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEMOINE	ONTP	

LD 2511 proposed that a debt on a child support order continues to be incurred by a responsible parent while that parent receives public assistance for the benefit of a biological or adopted child of that parent until the court modifies the support order that is the basis of the debt. Current law stops the accrual of a debt while the obligated parent receives public assistance.
