**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL B	ONTP MAJ	
WHEELER E	OTP MIN	

LD 2517 proposed to allow the municipal responsibility for contributing to minor collector capital projects, normally financed from the Rural Road Initiative, to be met by use of General Fund money appropriated for that purpose. The Commissioner of Transportation would have been required to ensure equitable distribution of the funds to those municipalities with a low property tax valuation.

**LD 2521**

**An Act to Promote Safe Mobility for Maine's Aging Population through Education and Community-based, Economically Sustainable Alternative Transportation**

**INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROWE	OTP-AM MAJ	
PARADIS	ONTP MIN	

LD 2521 proposed to create a program within the Department of the Secretary of State to educate the general public, public officials and health and social service personnel about the age-related changes that can impact a person's ability to safely operate a motor vehicle. The bill also would have appropriated funds to the State Planning Office to create a consumer-oriented, community-based, economically sustainable transportation service for seniors who limit or stop driving.

**Committee Amendment "A" (H-933)** proposed to retain the program on age-related changes.

The amendment also proposed to appropriate funds to the Executive Department, State Planning Office to establish the Innovative Senior Transportation Program to develop a consumer-oriented, community-based, economically sustainable transportation service for seniors who limit or stop driving. The amendment also would have required a study of unmet senior transportation needs and directs that a report containing findings and recommendations be submitted to the Legislature by December 15, 2000. The amendment proposed to appropriate funds to provide transportation services for seniors with priority health care service needs.

**House Amendment "A" (H-1001)** proposed to strike the bill and replace it with an appropriation section to provide additional funds for existing senior transportation programs.
