Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the Joint Standing Committee on Appropriations and Financial Affairs during the 2nd Regular Session of the 119th Legislature. The summary describes each bill or order and relevant amendments as well as the final action. Also included is a statistical summary of bill activity by the committee. Please note the effective date for all non-emergency legislation enacted in the 2nd Regular Session (unless a later date is specified in a particular law) is August 11, 2000. Joint Orders are effective when passed.

LAWRENCE WHEELER G		

LD 2589 proposed to provide a General Fund appropriation of \$50,000 in fiscal year 2000-01 to match funds to provide for an evaluation of the Portsmouth Naval Shipyard to determine the utility of the facilities and technologies available at the shipyard for use by private sector industries for nondefense-related projects. The evaluation would have been conducted by the Southern Maine Economic Development District in coordination with the Department of Economic and Community Development, the Economic Development Administration, and the Town of Kittery, among others. At the completion of the evaluation, the same group would have been required to develop a marketing plan to advertise the assets available at the shipyard and in the Town of Kittery.

While this bill was indefinitely postponed, General Fund appropriations for this purpose were included in Private and Special Law 1999, Chapter 99.

**LD 2598**                      **An Act to Enhance Teacher Development and Meet the Special Needs of Students at the Southern Maine Juvenile Facility**                      **DIED BETWEEN HOUSES**
