ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Private and Special Law 1999, chapter 82 establishes the allocations of the state ceiling on issuance of tax-exempt bonds for calendar year 2000 and makes partial allocations of the state ceiling for calendar year 2001 among the state-level issuers of tax-exempt bonds. Under federal law, a maximum of \$150,000,000 in tax-exempt bonds benefiting private individuals or entities may be issued in Maine each year.

The law also reallocates \$10,000,000 of the state ceiling for calendar year 1999 previously allocated by Public Law 1999, chapter 443 to the Finance Authority of Maine to the Maine Educational Loan Authority.

Private and Special Law 1999, chapter 82 was enacted as an emergency measure effective April 14, 2000.

LD 2610 proposed to require a person who registers a snowmobile or ATV for the first time in Maine to present a certificate from a licensed dealer that the snowmobile or ATV has had all recall or service update repairs performed on the snowmobile or ATV. The bill also proposed to require that the owner be registered with the manufacturer of that snowmobile or ATV so that the owner would receive future recall or service notices from the manufacturer.

Committee Amendment "A" (H-988) proposed to replace the original bill. It proposed to require that a person who registers a new snowmobile or ATV provide proof that the vehicle has been registered with the manufacturer of the snowmobile or ATV for warranty protection and safety or recall notices.
