ONE HUNDRED NINETEENTH LEGISLATURE
SECOND REGULAR SESSION

Summary Of Legislation Before The Joint Standing Committees
July 2000

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 2644

An Act Relating to Eligibility for the Elderly Low-cost Drug Program

PUBLIC 707

<u>Sponsor(s)</u>		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-1088
-------------------	--	-----------------------------------	--	-------------------------------------

Prior to changes to the elderly low-cost drug program enacted in Public Law 1999, chapter 401, Part KKK, eligibility for the program extended to all members of a household if any household member was determined to be eligible. The changes enacted in Public Law 1999, chapter 401, Part KKK, inadvertently caused some household members to lose eligibility. LD 2644 proposed to restore household eligibility as it applied before the 1999 changes.

Committee Amendment "A" (H-1088) proposed to replace the bill. Current law provides that a person who was eligible for the elderly low-cost drug program under the Maine Revised Statutes, Title 22, section 254 at any time from August 1, 1998 to July 31, 1999 retains eligibility until February 28, 2001 if that person is a member of a household of an eligible person. This amendment would continue such eligibility beyond February 28, 2001. The amendment proposed to clarify that those persons who receive Medicaid benefits who are ineligible for the elderly low-cost drug program are those who receive Medicaid pharmaceutical benefits.
