**SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 2647 was referred to the Appropriations and Financial Affairs Committee and proposed a bond issue in the amount of \$25,550,000, that would have been used to renovate higher education laboratories, classrooms and dormitories of the Maine Maritime Academy, the Maine Technical College System and the University of Maine System. While this bill failed to be enacted, the supplemental appropriations bill included \$22,550,000 in fiscal year 2000-01 to renovate higher education laboratories, classrooms and dormitories of the Maine Maritime Academy, the Maine Technical College System and the University of Maine System (see Public Law 1999, chapter 731, part A, section A-1).

		H-1073 BRENNAN

LD 2657 proposed to eliminate the unmet need provisions of the tuition waiver program for foster children. The bill also proposed to clarify that 25 new foster children are eligible for a tuition waiver in each year.

**House Amendment "A" (H-1073)** proposed to require that the state postsecondary educational institutions affiliated with the University of Maine System, the Maine Maritime Academy and the Maine Technical College System shall absorb the reduction in tuition revenues that results from providing a tuition waiver to an eligible person under the tuition waiver program for students who resided in foster care as children. ***Enacted law summary***

Public Law 1999, chapter 774 eliminates the unmet need provisions of the tuition waiver program for foster children and clarifies that 25 new foster children are eligible for a tuition waiver in each year. The law also requires that the state postsecondary educational institutions affiliated with the University of Maine System, the Maine Maritime Academy and the Maine Technical College System shall absorb the reduction in tuition revenues that results from providing a tuition waiver to an eligible person under the tuition waiver program for students who resided in foster care as children. The law further specifies that these institutions may not request additional General Fund appropriations from the Legislature to offset the reduction in tuition revenues.
