**Summary Of Legislation Before The Joint Standing Committees**  
**July 2000**

We are pleased to provide this summary of bills that were considered by the Joint Standing and Select Committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing and select committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-666

LD 2663 proposed to make changes to the laws governing the filing of campaign finance laws by providing the Commission on Governmental Ethics and Election Practices with more flexibility to accept campaign finance reporting forms late without penalty when the reason is a valid emergency. The bill also proposed to make changes to the laws governing PACs in response to the ruling in Volle v. Webster, which stated that the \$50 threshold that defines someone as a PAC is too low considering the strict reporting requirements for PACs. The bill proposed to raise that threshold to \$1,500 and differentiate between PACs and individuals who solicit contributions and make expenditures for the purpose of influencing the outcome of a ballot question. The amendment also proposed to strike references to the \$1,000 limits on contributions to political candidates that were reduced with passage of the Maine Clean Election Act.

**Committee Amendment "A" (S-666)** proposed to make changes to the bill regarding the laws governing PACs in response to the ruling in Volle v. Webster. The amendment proposed to maintain the filing threshold at \$1,500 for persons whose major purpose is to solicit contributions and make expenditures for the purpose of influencing a ballot question. The amendment proposed to change the amount at which a person who is not defined as a PAC must itemize contributions and expenditures from \$1,500 to \$500. Any contribution or expenditure that is in excess of \$100 would have to be itemized under this amendment. The amendment also proposed to clarify that creation of or changes to the campaign finance reporting form must be done by rule. Such rules would be considered major substantive rules.
