Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

remove the requirement that hunters apply by written application for a turkey permit and provide that hunters must apply for a turkey permit in a manner to be prescribed by the commissioner.

The bill proposed to provide that the commissioner may appoint agents other than municipal clerks or persons designated by a municipality to issue watercraft, snowmobile and ATV registrations and remove current statutory requirements that the commissioner must follow to appoint agents not associated with a municipality. The bill also proposed to remove the requirement that agents issuing snowmobile, watercraft and ATV registrations must submit reports to the commissioner and provides that agents may charge \$1 for each watercraft, snowmobile or ATV registration renewal and \$2 for original registrations. Additionally, the bill proposed to require that the commissioner penalize agents who issue watercraft, snowmobile or ATV registrations that are delinquent in forwarding the commissioner's funds to the commissioner by a date set forth by rule.

The bill proposed to provide that anyone who obtains an original snowmobile or ATV registration after March 31st may pay \$30 or \$15, respectively, to receive a registration that covers the remainder of the year plus an additional year. The same opportunity would be provided for anyone obtaining an original watercraft registration after September 30th, in which case the person pays 125% of the registration fee.

House Amendment "A" (H-406) proposed to add a fiscal note to the bill.
