Summary Of Legislation Before The Joint Standing Committees
May 2002

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

HP 1727

JOINT ORDER, Relative to the Task Force on Rail Transportation

PASSED

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JONES	OTP	H-1884 HA

HP1727 proposed to establish the Task Force on Rail Transportation. The task force would be comprised of legislators and non-legislators with rail interests. The duties of the task force would be to evaluate current transportation policies and plans, develop an integrated statewide rail transportation policy and plan, and develop steps to implement this policy and plan. The task force would identify State budgetary strategies to assist railroads confronted with significant financial problems. The task force would also create a plan for educating the Legislature and the public on these policies and plans.

The Joint Standing Committee on Transportation amended the Joint Order to authorize the Joint Standing Committee on Appropriations and Financial Affairs to report out a bill regarding a task force on rail transportation. This was done so that an executive agency could fund the task force. The Joint Standing Committee on Appropriations and Financial Affairs reported out LD 2214, which was enacted as Resolve 2001, chapter 120.
