First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 10

An Act to Require Credit Card Issuers to Provide Greater Notice of Changes in Terms

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GLYNN	ONTP MAJ OTP-AM MIN	

LD 10 proposed to increase the notice requirement for changes in terms of credit card accounts to 90 days before the effective date of the changes. Under current law, credit card issuers are required to provide notice at least 30 days before the effective date of changes in terms. The bill also proposed to repeal the provision allowing a credit card issuer to avoid providing notice of a change if the change involves no significant cost to the consumer.

Committee Amendment "A" (H-27) was the minority report of the committee. The amendment proposed to change the notice requirement for changes in terms of credit card accounts to 45 days before the effective date of the change. The amendment also added a fiscal note to the bill. Committee Amendment "A" was not adopted.

LD 18

An Act to Allow a Person to Obtain Personal Insurance Instead of Per Vehicle Insurance

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERKINS	ONTP	

LD 18 was a concept draft pursuant to Joint Rule 208. The bill proposed to allow a motor vehicle owner to obtain personal automobile liability insurance that insures the person instead of the vehicle. The effect of this bill would be to eliminate the requirement that an owner of more than one vehicle obtain liability insurance for each vehicle; instead the person could obtain a personal liability umbrella policy that would cover the person for whatever motor vehicle the person drove.
