Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Banking and Insurance

LD 66

An Act to Prohibit Cancellation of an Automobile Insurance Policy after an Accident Involving a Deer or Moose

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TESSIER MILLS	ONTP	

Under the Maine Automobile Insurance Cancellation Control Act, certain occurrences involving a motor vehicle are not considered an accident for purposes of determining whether an insurer may cancel an insured's automobile insurance policy because the insured has been involved in motor vehicle accidents. LD 66 proposed to establish that an accident involving a single car colliding with a deer or moose is not considered an accident for purposes of the Maine Automobile Insurance Cancellation Control Act.

LD 80

An Act to Allow Certified Insurance Counselors to Qualify as Risk Managers

PUBLIC 3

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
O'NEIL	OTP	

LD 80 proposed to add a certified insurance counselor to the list of designations that qualify as a risk manager used or employed by a large commercial contract.

Enacted law summary

Public Law 2001, chapter 3 adds a certified insurance counselor to the list of designations that qualify as a risk manager used or employed by a large commercial contract.

LD 81

An Act to Further Encourage the Creation of Private Purchasing Alliances

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAYO GOLDTHWAIT	ONTP	

LD 81 proposed to allow a given benefit plan offered through a private purchasing alliance to have a benefit differential that exceeds 20% if the Superintendent of Insurance waives the requirement. The bill also would have allowed the superintendent to waive compliance with a rule prohibiting carriers from applying a benefit differential to enrollees who must travel unreasonable distances for health care services. The provision allowing a health plan to have a benefit differential exceeding 20% if the Superintendent waives the requirement was incorporated into Public Law 2001, chapter 369. See summary for LD 204.
