Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

LD 62 **An Act to Create a Uniform Standard Governing Legislative Leaves of Absence** **ONTP**

<u>Sponsor(s)</u> PERKINS		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 62 proposed to establish a uniform rule regarding leaves of absence to serve as a legislator that would apply to all employees in the State. Under current law, employers, except school units, with more than 5 employees are required to grant an employee a leave of absence so that employee may serve as a Legislator for a single 2-year legislative term. After that 2-year term of service, the employer is not obligated to provide an additional leave of absence for successive terms. School units are obligated to provide leaves of absence for a school teacher who is a Legislator, and there is no limit on the number of terms for which the leaves must be granted. The bill proposed to treat teachers like other employees for purposes of legislative leaves of absence.

LD 83 **An Act to Ban Permanent Replacement Workers in a Labor Dispute** **VETO SUSTAINED**

<u>Sponsor(s)</u> PINEAU EDMONDS		<u>Committee Report</u> OTP MAJ ONTP MIN		<u>Amendments Adopted</u>
--	--	---	--	---------------------------

LD 83 proposed to repeal the provisions in current law that attempt to restrict an employer's right to hire replacement workers during a labor dispute. Superior Court Chief Justice Morton A. Brody declared those provisions were preempted by the National Labor Relations Act in 1989. The bill proposed to retain only those provisions that relate directly to deterrence of violence during a labor dispute.

The bill also proposed to require that a contract between an employer and replacement workers must provide that when the strike is settled or if the employees offer unconditionally to return to work the replacement workers will not be retained in preference to the strikers.

LD 96 **An Act to Extend the Hours that a Minor May Be Employed** **ONTP**

<u>Sponsor(s)</u> TREADWELL MITCHELL B		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--	--	---------------------------------	--	---------------------------

LD 96 proposed to extend until 9 p.m. the time until which a minor under 16 years of age may work during the school year.
