Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 98

An Act to Increase the Limit on Earnings for Beneficiaries of Disability Retirement Benefits

**PUBLIC 443
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WHEELER E KILKELLY	OTP-AM	H-133

LD 98 proposed to increase from \$10,000 to \$15,000 the limit on compensation that may be earned by the beneficiary of a disability retirement benefit under the Maine State Retirement System without incurring a reduction in benefit during the following year.

Committee Amendment “A” (H-133) replaced the bill and proposed to raise from \$10,000 to \$20,000 the annual limit on earnings that a disability retiree under the Maine State Retirement System may earn without causing a deduction in the following year's benefits. The amendment also proposed to suspend under the applicable disability plan administered by the retirement system the permanent reduction in disability benefits due to a determination of increased capacity to earn based on review of a benefit recipient's actual earnings record. The proposed suspension would be retroactive for calendar years 1999 and 2000 and remain in effect until January 1, 2003. The temporary suspension would allow the retirement system and the Legislature to develop a permanent solution to disability benefit issues while alleviating the hardship imposed on recipients by current law. The amendment also added an emergency preamble, emergency clause and fiscal note to the bill.

Enacted law summary

Public Law 2001, chapter 443 increases from \$10,000 to \$20,000 the annual limit on earnings that a recipient of a disability retirement benefit under the Maine State Retirement System may earn without incurring a deduction from the following year's benefit payment. The \$10,000 limit was established and has not been updated since 1981. The law also suspends for one of the disability plans administered by the retirement system the permanent reduction in disability benefits due to a determination of increased capacity to earn based on a benefits recipient's actual earnings record. The suspension is retroactive for calendar years 1999 and 2000 and is effective until January 1, 2003. The temporary suspension will allow the retirement system and the Legislature to develop a permanent solution while alleviating the hardship imposed on recipients under the current law.

Public Law 2001, chapter 443 was enacted as an emergency measure effective June 27, 2001.
