First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> BROOKS		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>

LD 95 proposed to prohibit a person from using a handheld electronic device while operating a motor vehicle unless the person is a law enforcement or safety officer, the driver of an authorized emergency vehicle, the holder of a commercial driver's license who is driving within the scope of the holder's employment or public transit personnel. The bill also proposed to make the offense a traffic infraction.

LD 99 proposed to name that section of Route 302 that runs between Portland and Fryeburg the 10th Mountain Division Highway.

Committee Amendment "A" (H-219) replaced the resolve and proposed to require the Department of Transportation to designate the part of Route 302 that starts in the City of Portland and continues through the Town of Fryeburg the "10th Mountain Division Highway." This designation would not change or otherwise affect any other names that municipalities may have adopted for this part of Route 302.
