**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Education and Cultural Affairs

1. The rule must be amended to provide that the local policy must be reviewed at least annually. The provisionally adopted rule requires the local policy to be reviewed at least quarterly.
2. The rule must be amended to require the documentation of a time-out room or therapeutic restraint be provided to the program administrator within 2 school days. The provisionally adopted rule requires the documentation to be completed within 24 hours.
3. The rule must be amended to delete from the definition of "aversive therapy or treatment" the terms "loud noises" and "humiliating practices." The provisionally adopted rule provides that aversive therapy or treatment is prohibited. The terms that must be deleted are too subjective to provide sufficient guidance. The definition must also be amended to delete the unnecessary "etc." that is at the end of the examples of prohibited aversive therapy or treatment.

### *Enacted law summary*

Resolve 2001, chapter 9 authorizes final adoption of regulations concerning the use of time-out rooms, therapeutic restraints and aversives, a provisionally-adopted, major substantive rule of the Department of Education. The rule requires that documentation of a time-out room or therapeutic restraint be provided to the program administrator within 2 school days; and also requires that the local policy concerning the use of time-out rooms, therapeutic restraints and aversives must be reviewed at least annually.

Resolve 2001, chapter 9 was finally passed as an emergency measure effective May 8, 2001.

Other bills proposed to support an operating budget for the proposed Bath Higher Education Center (see LD 532 and LD 1378).
