**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Utilities and Energy

**LD 157**

### **An Act to Clarify Marketing Standards for Telephone Utilities and Competitive Electricity Providers**

**PUBLIC 71**

<u>Sponsor(s)</u> SAVAGE W		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-93
-------------------------------	--	-----------------------------------	--	-----------------------------------

LD 157 proposed to clarify that provisions regarding consumer protection contained in the Maine Revised Statutes, Title 35-A and in rules promulgated by the Public Utilities Commission, govern the practices of telephone utilities regulated by the Public Utilities Commission and competitive electricity providers licensed by the Public Utilities Commission and that the provisions of the consumer solicitation sales law and the transient seller law do not.

**Committee Amendment "A" (H-93)** proposed to replace the bill. This amendment proposed to remove a conflict of laws. Under this amendment, current provisions of law and implementing rules regulating the sale of electricity and the telephone practices known as "slamming" and "cramming" would be exempted from the provision of the consumer solicitation sales law that requires a consumer's written authorization to consummate certain sales made in person or over the phone. Under current provisions of law and implementing rules regulating the sale of electricity and the telephone practices known as "slamming" and "cramming," oral authorization obtained by an independent 3rd party and, in the case of the law regulating slamming, toll-free electronic authorization are also permitted. This amendment proposed to preserve these provisions. Other provisions of the consumer solicitation sales law would continue to apply in all these contexts. The amendment also proposed to add a fiscal note to the bill.

#### *Enacted law summary*

Public Law 2001, chapter 71 removes a conflict of laws. Under this law, current provisions of law and implementing rules regulating the sale of electricity and the telephone practices known as "slamming" and "cramming" are exempted from the provision of the consumer solicitation sales law that requires a consumer's written authorization to consummate certain sales made in person or over the phone. Under current provisions of law and implementing rules regulating the sale of electricity and the telephone practices known as "slamming" and "cramming," oral authorization obtained by an independent 3rd party and, in the case of the law regulating slamming, toll-free electronic authorization are also permitted. This amendment preserves these provisions. Other provisions of the consumer solicitation sales law continue to apply in all these contexts.
