**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 219**                      **An Act to Expand the Cub Care Program and to Establish the Bear Care Program**                      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LONGLEY MAYO	ONTP	

LD 219 proposed to establish the Bear Care program in the State by changing the name of the Medicaid program beginning July 1, 2002. It proposed to require materials and information about the Medicaid program for use by the public to display the name "Bear Care" beginning October 1, 2001. By January 15, 2002 the bill proposed to require the Department of Human Services to submit a report to the Joint Standing Committee on Health and Human Services proposing legislation to accomplish the name change. It proposed to direct the Joint Standing Committee on Health and Human Services to submit legislation to accomplish the name change by July 1, 2002. It proposed to require the Department of Human Services to file with the federal Department of Health and Human Services, Health Care Financing Administration all necessary amendments to the state Medicaid plan to change the name of the Medicaid program in the State to the "Bear Care program" for the purposes of service delivery and program administration by January 15, 2002.

LD 219 did not propose to alter the designation "Cub Care" for the program providing health care coverage for children under the Maine Revised Statutes, Title 22, section 3174-T. It proposed to increase, however, the income eligibility from 200% to 300% of the federal nonfarm income official poverty line and set the premiums for coverage for families with incomes above 185% of the nonfarm income official poverty line at 20% of the benefit cost per child, but no higher for a family than the cost for 2 children. This bill proposed to increase the income eligibility level for parents of children on the Medicaid program from 150% to 200% of the federal nonfarm income official poverty line.

See LD 1303, Public Law 2001, chapter 450 regarding renaming the Medicaid program and Cub Care program MaineCare.
