**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CRABTREE KILKELLY	ONTP MAJ OTP-AM MIN	

LD 255 proposed to provide for the Maine Harness Racing Commission to appoint the judges and associate judges to preside at licensed racing meets. Once appointed by the commission, the judge would be an employee of the person licensed to conduct the racing meets.

Committee Amendment "A" (H-506), which was not adopted, proposed to continue to allow persons licensed to conduct commercial and extended meets to hire their own judges from lists of judges who have been duly licensed by the Maine Harness Racing Commission. For all other racing meets, the amendment would have required that the commission appoint judges and associate judges licensed by the commission.
