Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Legal and Veterans' Affairs

LD 285 proposed to broaden the definition of lobbying to include time spent attending legislative hearings, work sessions and floor debate. The bill also proposed to require that lobbyists and others who are compensated to present testimony, but are not registered lobbyists, identify themselves and their employers before presenting written or oral testimony to any legislative committee or board, commission or similar agency of State Government.

Committee Amendment "A" (H-440) proposed to replace the bill by establishing the 8-member Commission to Clarify the Laws Governing Lobbyist Disclosure Requirements. The commission would have been required to report its findings and recommendations to the Joint Standing Committee on Legal and Veterans Affairs by December 1, 2001.

The bill was enacted in the House but died in the Senate on the Appropriations Table upon adjournment.
