Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Judiciary

**Committee Amendment "A" (H-560)**, the majority report of the committee, proposed to replace the bill. It proposed to provide that an owner, lessee, manager, easement holder or occupant of premises is not subject to criminal penalties or civil penalties or forfeitures for violation of laws or rules enforced by the Maine Land Use Regulation Commission or the Department of Environmental Protection if that person provides substantial, credible evidence that the violation was committed by a 3rd party who is not an employee, contractor or agent of the owner, lessee, manager, easement holder or occupant. The amendment proposed to require the department and the commission to investigate substantiated allegations that a 3rd party committed the violation. It also proposed to clarify that this does not exempt the owner, lessee, manager, easement holder or occupant from the obligation to remediate or abate the environmental hazard or damage caused by the violation. Finally, the amendment proposed to provide that the exemption does not apply to a person who is designated a "responsible party" under the laws relating to oil discharge, tire stockpiles and uncontrolled hazardous substance sites.
