**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Banking and Insurance

LD 318 proposed to add property and casualty insurance to the list of types of insurance subject to the current Maine law concerning misrepresentations made on insurance applications. Under current law, misrepresentations made on insurance applications that are fraudulent or material to the acceptance of the risk by the insurer or to the hazard assumed by the insurer may prevent a recovery under life, credit life, disability, long-term care, accidental injury, specified disease, hospital indemnity or credit or accident insurance.

**An Act Concerning Patient Access to Eye Care Providers**

**PUBLIC 408**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAFOUNTAIN	OTP-AM MAJ	S-269
MAYO	ONTP MIN	

LD 323 proposed to require health plans and managed care plans that provide coverage for eye care services to provide direct access to eye care providers. The bill also proposed to prohibit plans from imposing a deductible or coinsurance for eye care services that is greater than a deductible or coinsurance for other medical services.

**Committee Amendment "A" (S-269)** was the majority report of the committee and replaced the bill. The amendment proposed to require health insurance carriers that provide coverage for eye care services to allow enrollees to self-refer for a maximum of 2 visits for each occurrence requiring eye care services from an eye care provider participating in the carrier's health plans. Eye care services are defined as those urgent health care services related to the examination, diagnosis, treatment and management of conditions, illnesses and diseases of the eye that if not treated within 24 hours present a serious risk of harm.

The amendment would apply to all policies, contracts and certificates issued or renewed on or after January 1, 2002. The amendment also added a fiscal note to the bill.
