Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on State and Local Government

LD 372 **An Act to Clarify Municipal Authority Over Cable Television Franchises** **ONTP**

<u>Sponsor(s)</u> BERRY D		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 372 proposed to clarify that the authority of municipal officers with respect to the enactment of cable television ordinances and the granting or denial of a cable television franchise is subject to the citizens' rights to invoke the municipality's initiative and referendum processes. A majority of the committee seriously considered an amendment that would have replaced the bill and required municipalities to accept and negotiate on all competing franchise applications and required that, if a competing franchise is granted, it must be granted on essentially the same terms as the existing franchise. After several work sessions, the committee decided not to support the bill or the amendment and voted unanimously ONTP.

LD 381 **RESOLUTION, Proposing an Amendment to the Constitution of Maine to Provide for the Direct Election of the Secretary of State** **ONTP**

<u>Sponsor(s)</u> MENDROS		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 381 proposed to amend the Constitution of Maine to establish the direct popular election of the Secretary of State and to provide for filling vacancies in the office of the Secretary of State in the same manner as provided for Governor.

LD 389 **RESOLUTION, Proposing an Amendment to the Constitution of Maine to Prohibit a Person Employed Full-time in the Judicial or Executive Branch of the State from Serving in the Legislature** **ONTP**

<u>Sponsor(s)</u> PERKINS		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 389 proposed to amend the Constitution of Maine to prohibit full-time employees of the judicial or executive branch of the State from serving in the Legislature.
