First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Enacted law summary

Public Law 2001, chapter 75 corrects an error in current law by providing that it is the Commission on Governmental Ethics and Election Practices that receives income statement reports and updating statements from legislators, not the Secretary of State. It also provides that Executive Branch employees and constitutional officers are not required to file a financial disclosure report in April if one has already been filed during the preceding calendar year.

LD 397

An Act to Amend the Laws Governing Small Brewery Licenses

PUBLIC 236

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| GOLDTHWAIT | OTP-AM MAJ | S-191 |
| KOFFMAN | ONTP MIN | |

LD 397

Under current law, the holder of a small brewery license may directly sell the product to retailers. The bill proposed to extend this right to all brewery license holders, not just small brewery license holders.

Committee Amendment "A" (S-191) replaced the original bill. It provides that a small brewery licensee may renew its license for only one year upon reaching the 50,000 gallon production threshold. After that year, if the licensee is still producing more than 50,000 gallons, it no longer qualifies for a small brewery license. The amendment also provides for proper compliance with the bottle deposit law.
