120th Legislature
First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Inland Fisheries and Wildlife

Committee Amendment "B" (H-434), a minority report, proposed to require the Legislative Council, in consultation with the chairs of both the Joint Standing Committee on Inland Fisheries and Wildlife and the Joint Standing Committee on Marine Resources and upon recommendation of the Office of Policy and Legal Analysis, to hire an independent consultant to study the biological and economic issues surrounding the proposed passage of alewives at the Woodland Dam and Grand Falls Dam fishways. The resolve proposed to direct the consultant to work under the auspices of the Office of Policy and Legal Analysis in consultation with numerous interested governmental and private organizations and to report back to the Joint Standing Committee on Inland Fisheries and Wildlife and the Joint Standing Committee on Marine Resources no later than January 1, 2002. The resolve also proposed to appropriate \$50,000 from the General Fund to carry out the purposes of this resolve. The amendment also proposed to add an appropriation section and a fiscal note to the bill

House Amendment "A" (H-495) proposed that, by May 1, 2002, the Commissioner of Marine Resources and the Commissioner of Inland Fisheries and Wildlife would ensure that fishways on the Woodland Dam on the St. Croix River were configured or operated in a manner that allowed the passage of no more than 5,000 alewives per year. It also proposed to require the commissioners to ensure that fishways on the Grand Falls Dam on the St. Croix River were configured or operated in a manner that prevented the passage of alewives.
