Second Regular Session

Summary Of Legislation Before The Joint Standing Committees
May 2002

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Maine's Technical Colleges**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MICHAUD MH SAXL	ONTP	S-211

LD 456 proposed to provide a continued appropriation that would enable the technical colleges to continue the incremental growth plan passed by the 119th Maine Legislature. These funds would be used to increase enrollment by 500 students, strengthen academic counseling and student outreach and establish a dedicated fund for necessary investments in classroom and laboratory equipment.

Committee Amendment “A” (S-211) proposed to increase the amount of the appropriation, continue the Pulp and Paper Technology program at Kennebec Valley Technical College and add a fiscal note to the resolve.

This resolve was a carry over from the 1st Regular Session of the 120th Legislature.

LD 457

**An Act to Clarify that the Sales Tax Exemption for Purchase of
Manufacturing Equipment Applies Equitably**

PUBLIC 709

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MICHAUD MH GREEN	OTP-AM MAJ ONTP MIN	S-412 S-598 GOLDTHWAIT

LD 457 proposed to include radio and television broadcast signals in the definition of “tangible personal property” for the purposes of the sales tax.

Committee Amendment “B” (S-412) proposed to move the changes provided by the bill from a definition section in the law to a sales tax exemption section in the law to accomplish the intent of the bill more effectively. This amendment also proposed to limit the new exemption to machinery and equipment used in the production of digital television broadcast signals purchased from January 1, 2001 to June 30, 2003 and clarify that the exemption would apply only to signals transmitted over the air by a television station. The amendment also proposed to add a fiscal note to the bill.

Senate Amendment “A” to Committee Amendment “B” (S-598) proposed to limit the sales tax exemption proposed in the bill to machinery and equipment used in the production of digital television broadcast signals purchased from March 1, 2003 to June 30, 2003; clarify that during the period from March 1, 2003 to June 30, 2003 the exemption apply only to signals transmitted over the air by a television station; and after June 30, 2003, expand the exemption to all equipment and machinery used to produce radio and television broadcast signals.

This bill was a carry over from the 1st Regular Session of the 120th Legislature.
