Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 483

An Act to Revise the Sewer Lien Laws

PUBLIC 319

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WINSOR	OTP-AM MAJ	H-460
BENNETT	OTP-AM MIN	

LD 483 proposed to revise the law concerning sanitary district liens in 2 ways.

1. It proposed to provide that a sanitary district lien must be placed on a mobile home and not on the land when the mobile home is located on the land of another person and the owner of the mobile home is directly obligated to the district to pay the sewer rate.
2. It proposed to require the district to notify the owner of the real estate subject to a lien prior to foreclosure in the same manner as current law requires a municipality to notify prior to foreclosure the owner of real estate on which a tax lien has been placed.

Committee Amendment "A" (H-460) proposed to do the following.

1. Remove that portion of the bill that requires that a sanitary district lien be placed on a mobile home;
2. Add to the provision of the bill requiring a district to notify a person of the impending foreclosure of any lien placed the person's property by establishing the form of the notice; and
3. Add a mandate preamble to the bill.

Enacted law summary

Public Law 2001, chapter 319 revises the law concerning sanitary district liens. It requires a district to notify the owner of real estate subject to a lien prior to foreclosure in the same manner as a municipality must provide such notice prior to foreclosure of a tax lien.
