Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. LD 519 An Act to Amend the Licensing Provisions for Private Investigators PUBLIC 298

Sponsor(s)	Committee Report	Amendments Adopted
CHIZMAR	OTP-AM	H-186
MARTIN		H-430 RICHARDSON

LD 519 proposed to affect the licensing statutes for private investigators as follows.

- 1. It would clarify the Commissioner of Public Safety's authority to appoint a designee to deal with licensing matters.
- 2. It would make consistent the language identifying disqualifying convictions for the license application and refusing to issue, suspending and revoking a private investigator license and would make it clear that the commissioner must provide notice and opportunity for hearing if there are grounds to refuse to issue or renew a license under the chapter pertaining to private investigators.
- 3. It would amend the section describing prior experience as an investigative assistant to make the section more specific.

Committee Amendment "A" (H-186) proposed to require 1,700 hours of employment as an investigative assistant and would require the 1,700 hours take at least one year and no more than 2 years to complete.

House Amendment "A" to Committee Amendment "A" (H-430), which was enacted, proposed to clarify that the 1,700 hours of employment as an investigative assistant must be accomplished within 2 years after the date of issuance of the investigative assistant license but no earlier than one year after the date of issuance.
