First Regular Session

Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

Public Law 2001, chapter 92 authorizes the Panel of Mediators to attempt to resolve disputes concerning the meaning of collective bargaining agreements through grievance mediation when the public employer and the bargaining agent agree to use that process. The law also provides that such use of grievance mediation is a permissive, rather than a mandatory, subject of bargaining.

Public Law 2001, chapter 92 was enacted as an emergency measure effective May 8, 2001.

LD 534

An Act to Prohibit the Delay in Provisional Payment of Certain Disability Benefits

PUBLIC 103

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SMITH EDMONDS	OTP-AM	H-109

Current law prohibits employers from delaying or refusing payment of health or disability benefits due an employee because the employee filed a workers' compensation claim based on the same injury or disease. LD 534 proposed to extend that prohibition to 3rd-party insurers.

Committee Amendment "A" (H-109) proposed to rewrite the language of the bill to clarify that provisional payments are required only from insurers under disability and medical insurance policies, not from all 3rd-party insurers. The amendment proposed to prohibit the delay or refusal of provisional payments from a disability or medical insurance policy, regardless of whether the person seeking payment is covered under the employer's policies or those of another person such as a spouse or the spouse's employer.

Enacted law summary

Current law prohibits an employer from delaying or refusing payment of provisional benefits under an insured disability or medical plan on the grounds that the employee has filed a workers' compensation claim for the same injury or disease for which coverage is claimed under the disability or medical plan. This law has been interpreted to apply only when the disability or medical payment policy is held by the employer. Public Law 2001, chapter 103 expands the provision to prohibit any person from delaying or refusing to make provisional payments under a disability or medical insurance policy because of the filing of a workers' compensation claim, regardless of whether the person seeking payment is covered under the policy held by that person's employer or under any other such policy, including policies held by a spouse or the spouse's employer. Provisional payments may be recovered from the employee if it is later determined that workers' compensation coverage applies.
