**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

LD 536 is a concept draft that proposed to define noncomplete employment contracts and to provide reasonable standards for their use.

LD 536 has been carried over to the Second Regular Session.

LD 538 **An Act to Require a Recommendation from a Physician Before Being Eligible for Disability Benefits** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARRACHE	ONTP	

LD 538 proposed to amend the law relating to disability benefits under the Maine State Retirement System to require that a person receive a written finding of disability from a physician in order to receive disability benefits.

LD 544 **An Act to Eliminate Unnecessary Paperwork for Wage-hour Compliance** **PUBLIC 336**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TREADWELL DAVIS P	OTP-AM MAJ ONTP MIN	H-114

LD 544 proposed to exempt automobile body shop technicians and automobile service writers who are paid on an incentive basis rather than an hourly rate from the law requiring payment of time-and-a-half for overtime.

Committee Amendment "A" (H-114) proposed to replace the bill. Instead of adding 2 new categories of workers to the list of employees exempt from the overtime law, the amendment proposed to require the Department of Labor to interpret the current exempt categories in a manner consistent with the exemptions under federal law. Federal law exempts employees with the same title as state law, but the federal interpretation covers more types of employees and may cover at least some of the employees who would have been exempted by the bill.

Enacted law summary

Public Law 2001, chapter 336 requires the Department of Labor to follow federal interpretation of comparable terms when determining whether automobile mechanics, parts clerks and salesmen are exempt from the state law requiring payment of time-and-a-half for overtime hours.
