LD 562

An Act to Allow Municipalities to Create Capital Improvement Districts

PUBLIC 521

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ANDREWS LEMONT	OTP-AM	H-822

LD 562 proposed to authorize municipalities to create a capital improvement district for the purpose of making an infrastructure improvement that primarily serves the property owners of the district. The bill also proposed to establish the process for creating and operating the district. It also proposed to establish the process for assessing costs of the improvement. The bill was carried over from the First Regular Session.

Committee Amendment "A" (H-822) proposed to replace the bill. It proposed to authorize municipalities to create capital improvement districts. A capital improvement district is a defined area within a municipality that is initially privately owned and that has been designated by the municipality as a capital improvement district for the interrelated purposes of fairly apportioning the costs of making necessary improvements among the owners of property within the district and establishing the elements of the capital improvement district that are municipally owned. This amendment proposed provisions for establishing capital improvement districts including the required series of public hearings that must be held and the manner in which public votes on the proposed district must be executed prior to establishing a capital improvement district.

Enacted law summary

Public Law 2001, chapter 521 authorizes municipalities to create capital improvement districts. A capital improvement district is a defined area within a municipality that is initially privately owned and that has been designated by the municipality as a capital improvement district for the interrelated purposes of fairly apportioning the costs of making necessary improvements among the owners of property within the district and establishing the elements of the capital improvement district that are municipally owned. The law details the series of public hearings and capital improvement district and municipal referenda that must be conducted to implement a capital improvement district.

LD 1118

An Act to Reduce Unnecessary Paperwork in State Government

PUBLIC 495

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKENNEY TURNER	OTP-AM	H-790

LD 1118 proposed to establish the Paperwork Reduction Act that would have provided that similar or identical information and data required to be reported periodically to state agencies or departments by businesses operating in the State be reported to a single agency, the agency of record. The agency of record is the agency or department of State Government that first required a business operating in this State to report information or data during a reporting period established by law or rule. The bill also proposed that requests for additional information by a state agency be made through the agency of record and that a business disclose the identity of the agency of record to any state agency requesting that information. The bill was carried over from the First Regular Session.
