Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. Amendments Adopted

LD 604 proposed to specifically authorize the protection and advocacy agency designated by the Governor, charged with protecting and advocating for the rights of individuals with disabilities, with the responsibility and authority for providing advice and representation to parents going through the special education process. The bill further proposed that any state funding made available for that purpose be appropriated to this agency.

Through the school funding formula, the State currently reimburses school districts for legal advice and representation in the special education process. Parents of children with special needs do not receive any state assistance in seeking their rights under federal and state special education laws.
