Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Banking and Insurance

LD 554 **An Act to Provide Equity in Reimbursement for Health Care Providers** **ONTP**

<u>Sponsor(s)</u> PERRY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 554 proposed to require an insurer to pay health care providers for health care services within 30 days of submission of a claim. The bill would permit one exception to this 30-day payment requirement: when the insurer provides written notice that a claim is controverted, the health care provider need not be paid within 30 days for health care services within the scope of the controverted claim provided after receipt of the notice. The bill also proposed to require that an insurer pay for these additional health care services and any legal expenses incurred by the insured in pursuit of payment of the controverted claim when it is determined that the insurer is obligated to pay the controverted claim.

See related bill LD 782.

LD 555 **An Act Regarding Assignment of Benefits Under Personal Injury Insurance** **ONTP**

<u>Sponsor(s)</u> PERRY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
----------------------------	--	---------------------------------	--	---------------------------

LD 555 proposed to require health care providers to notify insurers of assignments of benefits and insurers to pay health care providers directly when they have received notice of assignments of benefits. If after receiving notice of an assignment of benefits an insurer pays an insured's claim, the insurer must still pay the related claim of the health care provider. An assignment of benefits cannot be revoked or amended without the written permission of the health care provider.

LD 573 **An Act to Require Health Insurance Carriers to Cover the Cost of Dental Surgery for Children in Need of Hospital Dentistry** **ONTP**

<u>Sponsor(s)</u> RICHARDSON		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
---------------------------------	--	---------------------------------	--	---------------------------

LD 573 proposed to require health insurance policies and contracts to provide coverage for dental treatment performed on minors under general anesthesia in a hospital.

See related bill LD 403.
