**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## *Enacted law summary*

Public Law 2001, chapter 298 provides that the Commissioner of Public Safety has authority to appoint a designee to deal with private investigator licensing matters and that the commissioner must provide notice and opportunity for hearing if there are grounds to refuse to issue or renew a private investigator license. This Public Law also requires investigative assistants to obtain 1,700 hours of employment as an investigative assistant before being eligible to be licensed as a private investigator and further requires that those hours be accomplished within 2 years after the date of issuance of the investigative assistant license but no earlier than one year after the date of issuance.

LD 547, a concept draft pursuant to Joint Rule 208, proposed to establish an ombudsman position at the state level through the State Planning Office to provide assistance and guidance to Maine's poorest counties in seeking creative funding sources. The ombudsman would have helped municipalities procure grants and other alternative funding sources and could have provided research and grant-writing services. Under the proposed bill, criteria to qualify for assistance would have been easily understood and would have been set out by widely publicized rules established by the State Planning Office.
