**Summary Of Legislation Before The Joint Standing Committees
August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

<u>Sponsor(s)</u> TWOMEY LAFOUNTAIN		<u>Committee Report</u> OTP-AM MAJ ONTP MIN		<u>Amendments Adopted</u>

LD 636 proposed to require the State, after January 1, 2003, to provide bicycle and pedestrian access, bicycle parking and shower facilities for office buildings owned by or partly financed by the State. It also proposed to require that the Department of Administration and Financial Services, Bureau of General Services adopt rules to carry out the purposes of the bill.

Committee Amendment "A" (H-297), which was the majority report but which was not adopted, proposed to strike the original text of the bill. The amendment proposed to require that the State provide parking for bicycles adjacent to, and shower and changing facilities for use by state employees in any new state office building that is built after January 1, 2003 and in any existing state office building that is subject to substantial renovation or any new addition to a state office building that extends beyond the exterior walls of the existing building when the renovation or addition is undertaken after January 1, 2003. The amendment also proposed to define "substantial renovation" and "state office building." The amendment also proposed to add a fiscal note to the bill.
