**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

## Joint Standing Committee on Criminal Justice

**LD 681**

**An Act to Amend the Law Concerning Possession of Firearms by  
Persons Convicted in Other States**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CARR KILKELLY		

LD 681 proposed to specify that the prohibition against carrying a firearm applies to a person convicted of a crime in another state that is punishable in this State as murder or a Class A, B, or C crime.

Current law prohibits persons convicted of a crime punishable by a term of imprisonment for one year or more from carrying a firearm (consistent with prior history provisions used for private investigators' and occupational licenses). Under federal law, a crime punishable by more than a year in prison is considered a felony. In this State, crimes are not classified as a felony or misdemeanor; instead, crimes are classified by the severity of the punishment that may be imposed. For example, conviction of a Class D or Class E crime is punishable by a definite term of imprisonment less than one year. In some other states, however, a crime is considered a misdemeanor but carries a possible punishment of more than a year in prison. Under the current law, a person convicted of a crime in another state that is punishable by a year or more is prohibited from carrying a firearm in this State, even if the same crime in this State is a Class D or E crime.

LD 681 was carried over to the Second Regular Session of the 120<sup>th</sup> Legislature.
