Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

NUTTING J JACOBS	ONTP MAJ OTP-AM MIN	

LD 660 proposed to amend the conflict of interest law for school board members to allow a member's spouse to be employed on a temporary, seasonal, part-time or substitute basis at a school within the jurisdiction of the school board of which the person's spouse is a member.

Committee Amendment "A" (S-310) proposed to replace the bill and was the minority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment proposed to create an exception in the school employment laws that allows a spouse of a school board member or school union representative to serve as a part-time, seasonal, temporary or substitute employee in a public school or contract high school or academy where that person's spouse serves as a school board member or school union representative. The amendment proposed to require notice of a spouse's application for employment to the school board or school union committee, policies for prescribing the terms and conditions under which a school board or school union committee may hire a spouse of a school board member or school union committee member and the requirement that a school board member must be excused from any discussions of salary or other personnel matters directly affecting that member's spouse. The amendment proposed to add an emergency preamble and an emergency clause to the bill. This amendment was not adopted.
