**Summary Of Legislation Before The Joint Standing Committees**  
**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

### LD 728

**An Act to Ensure Continued Health Insurance Coverage for the Spouse and Dependents of a Teacher or State Employee who Dies**

PUBLIC 341

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CARR DAVIS P	OTP-AM	H-546

LD 728 proposed to require that all benefits paid on the death of a participating member of the Maine State Retirement System be paid to the surviving spouse of that member. The spouse of a member could waive the payment by filing a waiver with the Board of Trustees of the Maine State Retirement System. If the participating member is not married, then the beneficiary designated by that member would receive the benefits.

**Committee Amendment "A" (H-546)** replaced the bill and proposed to require that a state employee's spouse or other dependents covered by the state group health plan or a teacher's spouse or dependents covered by a group health insurance plan provided by a school board have an opportunity to continue coverage under the group plan after the death of the state employee or teacher. The spouse or dependent would be responsible for paying the premium for the coverage.

### *Enacted law summary*

Public Law 2001, chapter 341 requires that a state employee's spouse or other dependents covered by the state group health plan or a teacher's spouse or dependents covered by a group health insurance plan provided by a school board have an opportunity to continue coverage under the group plan after the death of the state employee or teacher. The spouse or dependent would be responsible for paying the premium for the coverage.
