**August 2001**

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 736 proposed to prohibit the release of wolves in the State without the prior approval of both Houses of the Legislature and the Commissioner of Inland Fisheries and Wildlife. The bill also proposed to direct the commissioner to work with the United States Fish and Wildlife Service to ensure that any recovery plan for the gray wolf in an area that includes the State includes a provision that allows the State to prohibit the introduction of the gray wolf within the borders of the State.

**Committee Amendment "A" (H-348)**, which is the majority report of the committee, proposed to strike that portion of the bill that directed the Commissioner of Inland Fisheries and Wildlife to work with the Federal Government to ensure that any gray wolf recovery plan allows the State to prohibit the introduction of the gray wolf within its borders.
