Summary Of Legislation Before The Joint Standing Committees
August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. An Act to Implement the Recommendations of the Courts' Guardian ad Litem Committee

PUBLIC 253

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MADORE LAFOUNTAIN	OTP MAJ OTP-AM MIN	

Public Law 1995, chapter 405, "An Act to Implement the Recommendations Resulting from the Study Concerning Parental Rights and Responsibilities When Domestic Abuse is Involved," requested the Supreme Judicial Court to develop a program to train, certify and supervise guardians ad litem. The court appointed a committee to oversee these tasks and the committee proposed rules and standards for guardians ad litem to the court, which were adopted in 1999.

In the course of its work, the committee identified a number of provisions of law that it felt needed to be corrected by appropriate legislation to harmonize existing provisions of the Maine Revised Statutes, Title 19-A and Title 22 of the Maine statutes.

Committee Amendment "A" (H-339) was the minority report. It proposed to delete the language providing quasi-judicial immunity to guardian ad litem in child protective cases. (Not adopted)

Enacted law summary

Public Law 2001, chapter 253 contains the recommendations of the Supreme Judicial Court's committee to oversee the development of a program to train, certify and supervise guardians ad litem. Chapter 253: amends the laws governing the Court Appointed Special Advocate Program, or "CASA," to clarify that court appointed special advocates have quasi-judicial immunity as do other guardians ad litem, and that, if a CASA volunteer is sued the volunteer is entitled to a defense by the Department of the Attorney General; clarifies the law to provide that a guardian ad litem's report in domestic relation cases is fully admissible and subject to a party's rights to cross-examine the guardian ad litem or call rebuttal witnesses as in cases arising under child protective laws; and amends the law to clarify that guardians ad litem in child abuse cases have quasi-judicial immunity, as in cases arising under the domestic relations laws.
