Summary Of Legislation Before The Joint Standing Committees August 2001

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Labor

LD 747

An Act to Ensure That State Employees Receiving Workers' Compensation and Filling a Limited Period Position Remain in Their Respective Bargaining Units **PUBLIC 427**

Sponsor(s)	Committee	Report	Amendments Adopted
HUTTON	OTP-AM	MAJ	S-328 EDMONDS
	ONTP	MIN	

LD 747 proposed to amend a 1997 budget bill to clarify the bargaining unit status of a state employee who is placed in a limited period position to enable the person to return to employment following a work-related injury. The bill proposed that the person is a member of the same bargaining unit of which the person was a member prior to the injury.

Committee Amendment "A" (H-547) proposed to add a fiscal note to the bill. This amendment was not adopted.

Senate Amendment "A" (S-328) proposed to replace the bill. Rather than amending the 1997 budget bill, it proposed to add a section to the State Employees Labor Relations Act to describe the status of an employee who is receiving workers' compensation payments from the State and is placed in a limited-period position to enable that person to return to work. The amendment proposed to state that the employee has the same employment and bargaining unit status as before the injury, but that the scope of representation does not include work capacity, rehabilitation and other workers' compensation-related matters, unless such representation is specifically bargained for.

Enacted law summary

Public Law 2001, chapter 427 amends the State Employees Labor Relations Act to describe the status of an employee who is receiving workers' compensation payments from the State and is placed in a limited-period position to enable that person to return to work. Chapter 427 provides that the employee has the same employment and bargaining unit status as before the injury, but that the scope of representation by the bargaining unit representative does not include work capacity, rehabilitation and other workers' compensation-related matters, unless such representation is specifically bargained for.

LD 748 An Act to Lower the Early Withdrawal Penalty on Teacher Retirement to 2 1/2 Percent

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
THOMAS	ONTP	

LD 748 proposed to lower the early retirement reduction for teachers who retire before normal retirement age from 6% to 2 1/2% for each year of early retirement. LD 748 was one of several bills that proposed to restore benefits or compensate state employees and teachers for benefit reductions passed in 1993 affecting the so-called "cliff employees". The others were LDs 890, 1469 1631 and 1211. LD 1211 was carried over by the Labor Committee.
